Core Competencies

Walsh Service Solutions offers strategic and tactical marine support operational services on an as-needed or project basis. Our network of experienced and licensed captains has a national footprint but with local knowledge. Our services include:

- Emergency Response
- Charter Services
- Launch Services
- Specialty Boats
- Towing Services
- Salvage Services
- Chase Boats
- Dive Support
- Engineering / Survey Support
- Filming & Salvage Platforms
- In-Port & Underway Security

Past Performance

WSS has not executed any federal contracts to date however, the manager is a licensed captain and previously owned and operated a marine towing and salvage company for 12 years and has over 20 years of marine support experience on the Great Lakes. Other management has over 28 years of experience on numerous USEPA, USCG, and USACE projects.

Differentiators

WSS personnel have worked extensively in highly regulated, fast paced, and operationally demanding environments delivering a laser focus on safe and efficient execution with a personal touch that is so often promised but rarely delivered. We believe that our experience in the construction and service industries allows us to take these hard-earned lessons to deliver best in class services.
